Title: a journal

Author: Tyball

He speaks to me... I can  
hear him. The beast... He  
knows of our plan. But  
how?

Such wonders, such  
powers and such wealth  
he promises. But at what  
cost? That it could ask  
me to sacrifice my  
beloved brother. I cannot.  
I will not. No knowledge,  
no greatness could  
warrant such infamy.

But the seed of a doubt  
is gnawing at me. Did the  
Slasher make the same  
offer to my brother? Is  
he playing us against the  
other? Would Garamon  
even entertain the  
thought? No, not my  
virtuous brother. If he  
did, I would need to  
strike first. Only to  
protect myself, of course.

I must banish the doubts  
from my mind. They are  
like poison. We cannot let  
this fiend divide us.
